# Foreword

To the Teachers and Students of Elmore City High School:

The atmosphere of an institution is the subtle spirit and pervading influence that surrounds it. High school atmosphere lives in memory and in history. School spirit, tradition, and atmosphere are caught by every generation of students like the faint aroma of incense lingering in sacred halls. Music and songs, poetry and painting, stories oft repeated and dim unspoken memories carry these subtle qualities down through the years.

Atmosphere belongs to the school itself. It has been created by the generation of students who have lived and learned within its walls. Here the faith of parents in their sons and daughters mingles with the high ambitions and sturdy efforts of youth.

Here is hope sometimes tinged with doubt -- for many have won but some have lost -- the way of learning is not always light. Here are friends and friendships. Here activities too -- football, basketball, banquets, class parties. Here are customs that were learned and observed, traditions that were respected, the atmosphere in which you live. Acquire it; contribute to it; improve; maintain it.

This edition of the Badger has preserved the memories of the past year. The memories of Christian fellowship as well as the memories of Good times and Hard work.

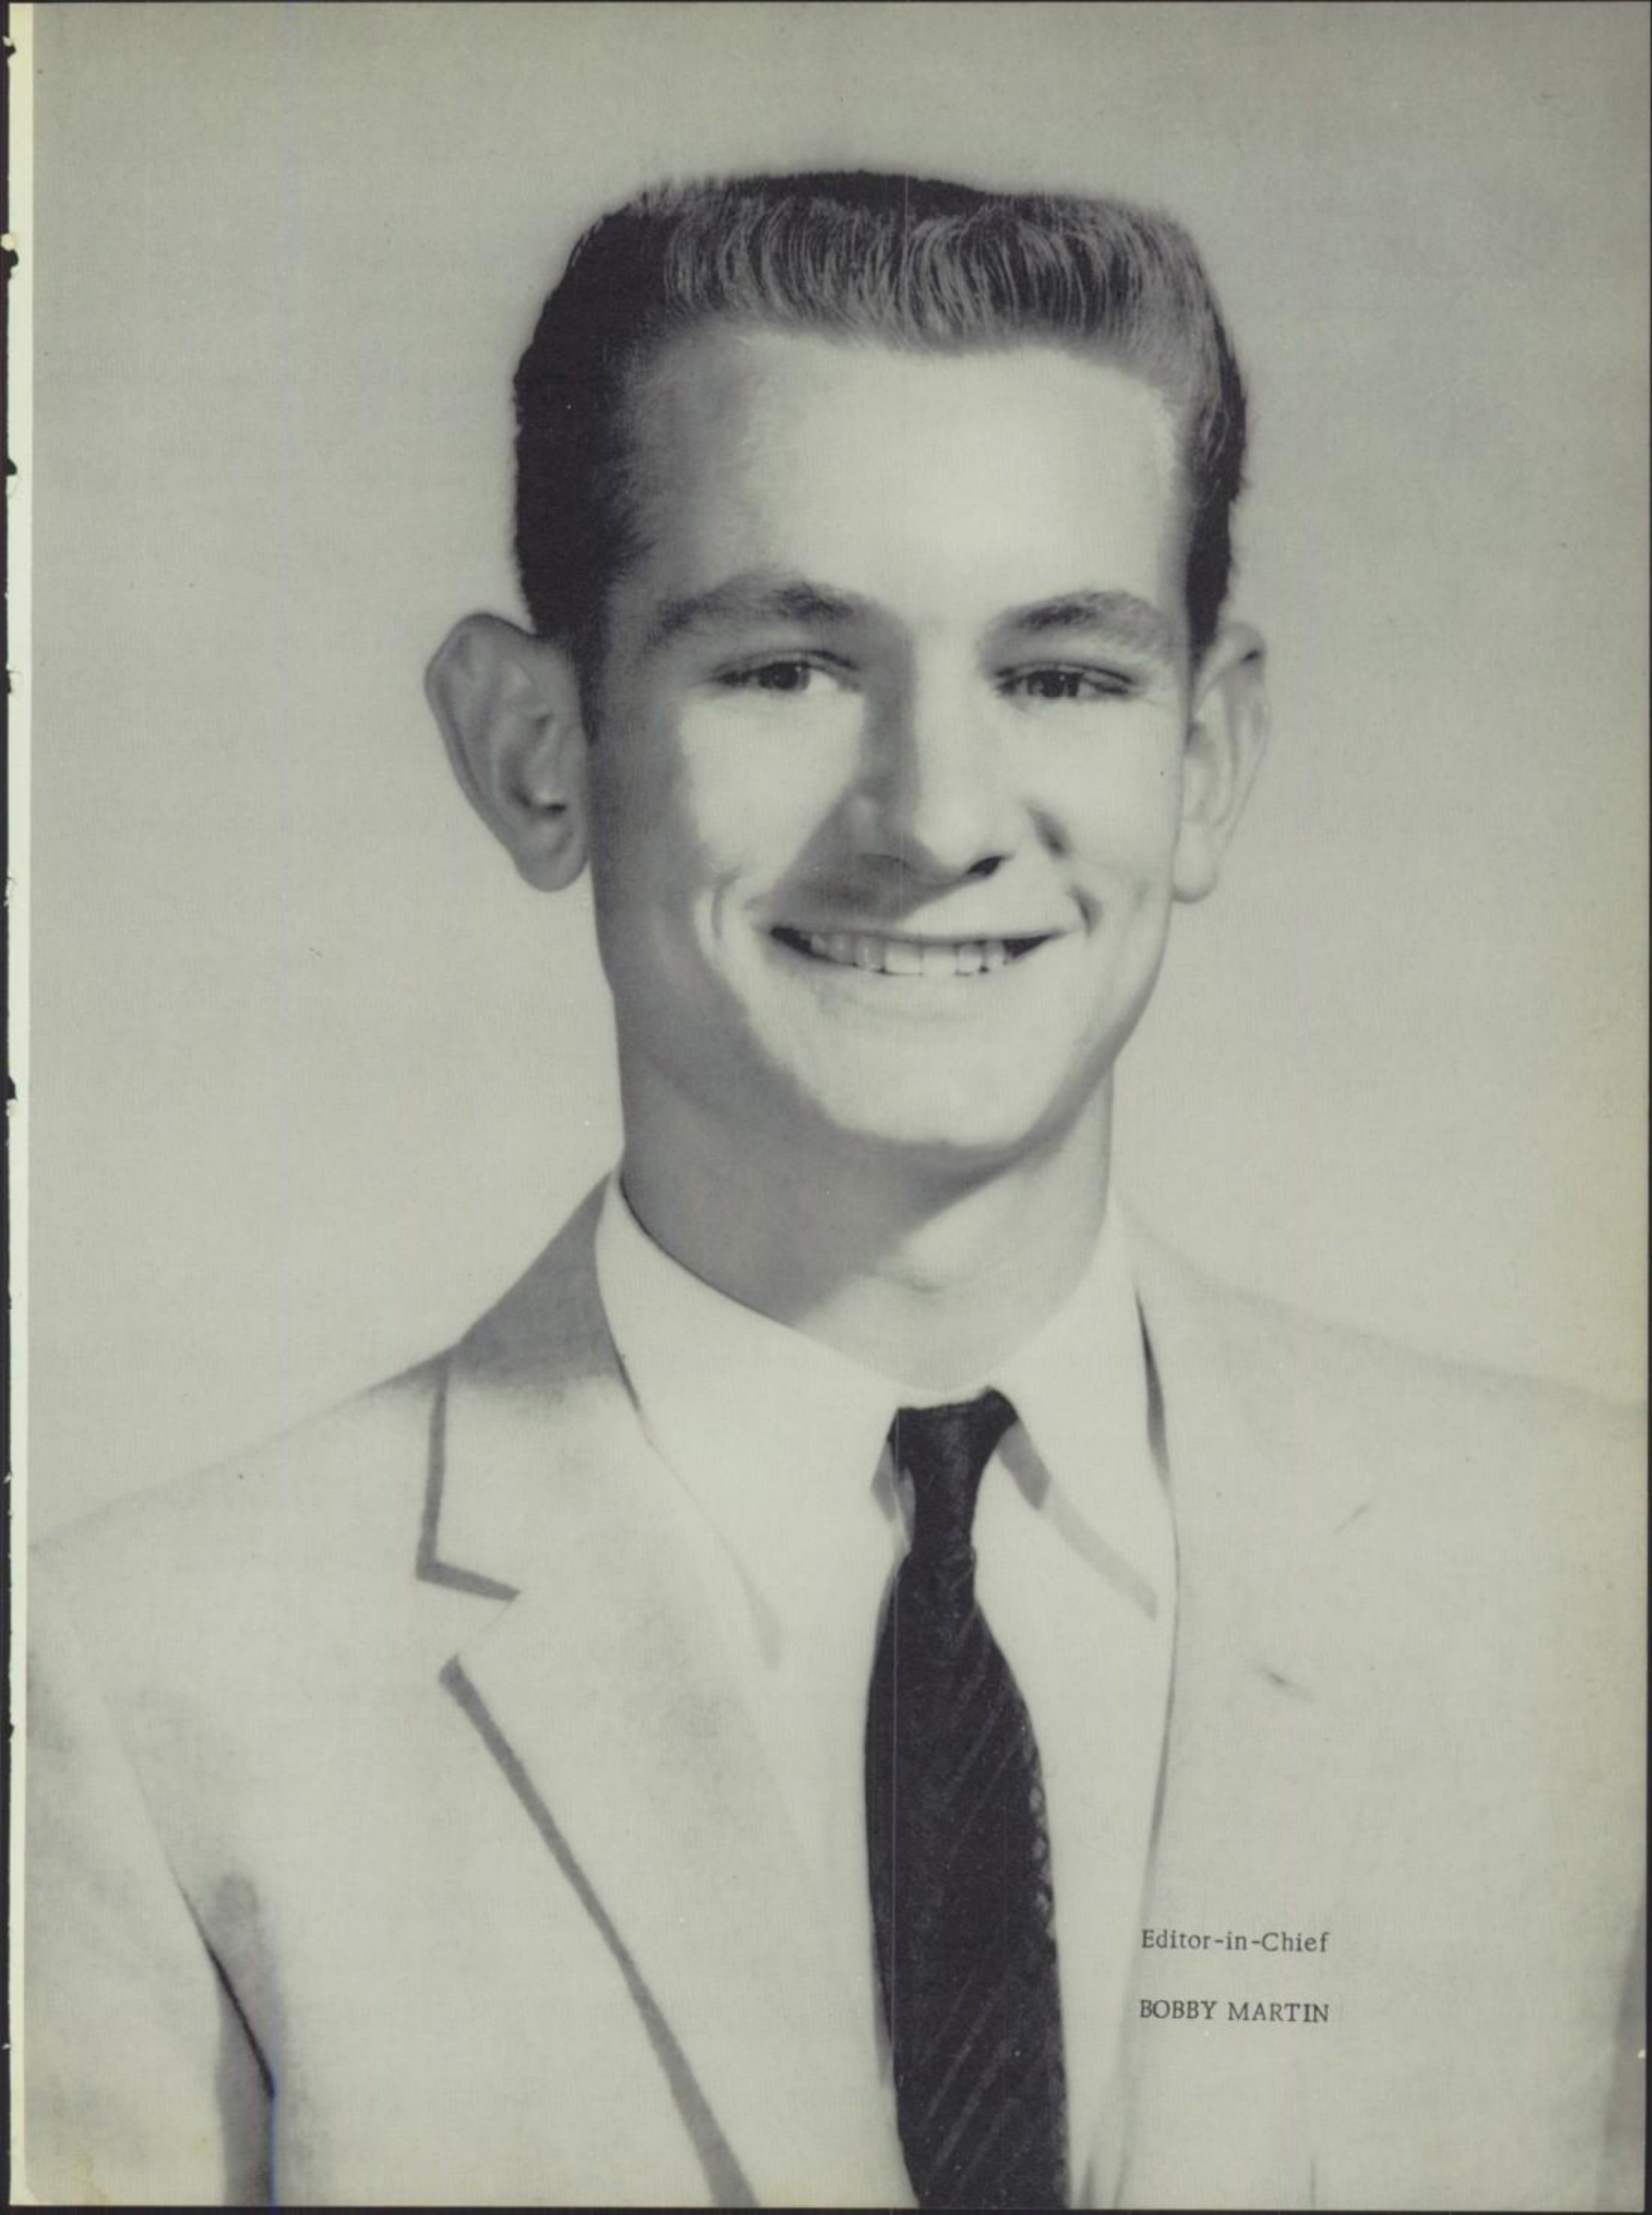

Through hard work and cooperative efforts, we offer this publication to you.

## *Dedication*

To Mr. Fisher, our superintendent, who can solve any  
problem either school or extracurricular  
with kindly wisdom, we lovingly  
dedicate The 1959  
Badger.

Administration

LESLIE FISHER, Superintendent

To Teachers and Students:

We are living in the "Satellite Age" - a time of bright opportunity when new inventions, improved ways of living, and marvelous innovations are being realized almost daily. For progress in America we need better scientists, better trained technicians, better farmers, and better teachers.

If this brilliant future is to be realized, the youth of our time must take advantage of their opportunities. The key to the future lies in an education which enables each individual to find his place in a complex society and to make his greatest contribution.

It has been an honor and a pleasure to work with this annual staff.

Congratulations on a job well done.

Sincerely yours,

Leslie Fisher

KENNETH MOBBS, Principal

To Teachers and Students:

We, who work with students, are always pleased when those students tackle any situation or problem with enthusiasm.

The members of this year's annual staff, as well as the student body, have certainly conditioned themselves to their task. As long as they continue with this type of attitude they will fill any role given to them as citizens of tomorrow. Your faculty and personal friends will be the first to notice your traits, personality, honesty, faithfulness, enthusiasm, and etc., continue to cultivate those as you go about your work.

We, the members of the faculty, say "thanks" for making our job easier.

Sincerely,

Kenneth Mobbs

MR. TED LILLARD  
Band Director

To Members of the Band:

At this writing, one semester has passed; a very successful first semester I might add.

I am sure the second semester will be just as successful as long as we all co-operate in working for our common goal, that of "being one of the finest bands in the state."

May I take this opportunity to express my sincere appreciation for your co-operation and to offer my congratulations on your many fine accomplishments.

Thank you for making me a part of your band.

Sincerely,

Ted Lillard

## *Girls' Basketball Team*

The Elmore City Girls' Basketball Team have been very successful the past four years.

In 1956-1957 they lost two games. They won the Conference, County Tournament, District, Regional, and played in the Semi-finals of the State Tournament, also, placing second in the All-Girls' Tournament at Lindsay.

In 1957-1958 lost four games. They won the Conference, County Tournament, District, Regional, and All-Girls' Invitational Tournament at Lindsay; losing the first games to Harrah in the State Tournament.

In 1958-1959 have not lost a game up to the present time. Won the All-Girls' Invitational at Lindsay.

Coach: CHARLES BURNETT

In the State the girls in 1957-1958 were rated No. 3. In 1958-1959 they were rated the First team, and are doing their best to prove this rating correct.

The girls' team have participated in 114 games and have only lost 6.

Dear Susan,  
This never has around you much with  
the year that I have really enjoyed  
you are a very sweet girl with lots of talent  
and it keeps it like you far in life. Remember  
the Edmund Bond trip? What was that for  
won't it? Remember me always and  
never my good friend!  
Love ya?  
Have you seen Sue  
To a very sweet  
girl. Lots of luck
